## *Third Sunday Service*

*Our order of worship for the third Sunday of each month seeks to provide an environment that includes several opportunities to worship through music. All needed wording will be projected on the screen. The style of music will vary within the service and from month to month so that we can praise God through gospel, jazz, country, rock, and contemporary backdrops. Worship is participatory and therefore it is important that everyone engage in the singing to the best of their ability.*
